Confirmation classes for 7th and 8th graders will start on Wednesday, September 13th. Our focus this year is on stories from the Bible, both Old and New Testament. We will be meeting on Wednesday afternoons from 4:00 – 5:15 pm at Trinity in Welcome. Pastor Anthony and Pastor Eric will be leading/teaching these classes. If you are a 7th or 8th grader this fall, we would like to have you join us. Remember that 2 years of confirmation class is required in order to be confirmed. So if last year was your first year of confirmation, we invite you back for your second year

Online registration for confirmation is available and open. If you were in confirmation last year, you still need to register this year, so that we have the most up to date information. The calendar and other resources are also now available online. You can find everything that you need at www.circleoffaithparish.org/confirmation. If you prefer, there will be hard copies of everything available through the parish office.

"Earth and All Stars" could not be more appropriate for the start of the school year. The lyrics were written by Herbert Brokering in 1968 to commemorate the 90th anniversary of St. Olaf College in Northfield, Minnesota. He said, "I tried to gather into a hymn of praise the many facets of life which emerge in the life of community. There are references to building, nature, learning, family, war, festivity, music, seasons, emotions, death, resurrection, bread, wine, water, wind, sun, spirit, which have made impressions on me." Brokering served as a pastor and was involved in the World Council of Churches.

The music for "Earth and All Stars" was composed by David Johnson, who had served as a professor and music department head at St. Olaf for a time. He taught in several universities, was an organist and choir director and has composed many hymn tunes.

Singing this hymn should fill you with awe and bring to mind ALL that we owe to God. I defy you to think of something that is not included in this hymn. We must all "Sing to the Lord a new song!" A great start to the school year 2017-2018.
